# Chewrope Range of Products

## ABACUS

The abacus, also called a counting frame, is a calculating tool which has been used since ancient times. It was used in the ancient Near East, Europe, China, and Russia, centuries before the adoption of the Hindu-Arabic numeral system.

## CATERPILLAR

A caterpillar is a small, worm-like animal that feeds on plants and eventually develops into a butterfly or moth. Chewrope Caterpillar is inspired by the shape of caterpillar.

## DONUT

A doughnut or donut is a type of food made from leavened fried dough. It is popular in many countries and is prepared in various forms as a sweet snack that can be homemade or purchased.

## MARIONETTE

Marionette is a french word which means a puppet or little jointed figure made to look like a person or animal and moved by strings or wires from above, often on a miniature stage.

## BIGHT

A bight is a concave bend or curvature in a coastline, river or other geographical feature, or it may refer to a very open bay formed by such a feature. Such bays are typically broad, open, shallow and only slightly recessed.
