

BOWLERs®

Harmonious, Honest & Happy Health

The Yummiest Wet Food Awaits!

Bowlers®

Bowlers is an Honest and Exceptional Nutrient-Balanced formula enriched with natural antioxidants to support dogs of all breeds and sizes. Our wet food range includes 3 delicious variants to cater to both puppies and adult dogs, each packed with essential nutrients to promote proper body growth, strong joints, and a glossy coat. Rich in fiber to aid digestion and immune-boosting ingredients, Bowlers' wet food ensures your dog stays healthy, active, and happy every day.

We pride ourselves in bringing to you the most suited formulations for your dog made from the finest proteins and wholesome ingredients.

PRODUCT HIGHLIGHTS

Premium Ingredients:

Our formula is crafted with top-quality ingredients like **chicken, chicken liver, lamb, tapioca starch, potato, eggs and fish oil**, ensuring optimal nutrition. These proteins support muscle development and provide essential amino acids crucial for a dog's growth and health. We prioritize the health and well-being of dogs by avoiding artificial additives and fillers delivering natural nutrition for a healthy & active life.

Irresistible Flavours:

Our products are designed to appeal to even the pickiest eaters with flavours such as **Chicken & Liver Platter in Gravy, Chicken Platter in Gravy** or **Lamb in Gravy**, using real chicken and lamb to enhance flavour and provide essential nutrients. The variety of wet food options ensures that dogs enjoy each meal while getting the hydration they need from high-moisture content food.

Nutrition & Health:

Each meal is fortified with essential **vitamins and minerals**, including **Vitamin E, A, D3, and B-complex vitamins**. The balanced formula supports immune health, skin and coat shine, and overall wellness.

Hydration Support:

With upto **85% moisture**, Bowlers's wet food helps dogs stay hydrated, which is particularly important for those who are reluctant to drink enough water. This added hydration is beneficial for overall canine health.

Convenient Packaging:

Available in easy-to-use **wet food pouches** that preserve freshness and flavour while offering the right portion size per meal, minimizing waste and making feeding time convenient. This also make Bowlers Wet Food ideal for on-the-go adventures, walks and trips to the park.

Wheat Gluten-Free: Our wet food is wheat gluten-free, making it an excellent choice for dogs with food sensitivities or allergies. This helps reduce digestive issues and supports better overall health, especially for sensitive or allergy-prone dogs.

Skin and Coat Health: The inclusion of Omega-3 fatty acids from fish oil promotes a shiny, healthy coat and nourishes the skin and supports cognitive development in dogs. This helps your dog maintain a healthy appearance and feel.
